INFORMATION ABOUT PROGRAMS

THE UGLY DUCKLING'S TALE

Who am I? Where is my place in this world? Why did that happen to me?

Everybody knows those questions more than well - and this can be applied to the young, as well as old-ones. Virtually everybody also knows this tale by H. Ch. Andersen. The new approach to this story by the Štúdio BIBIANA offers the chance of finding answers at least to some of them - in a sensible and humorous way.

Songs lyrics – Z. Pašuthová, music – J. Dobrákov, graphics and space – N. Štefunková, dramaturgy of the musical and arts parts from 2003 – K. Kosánová, director – M. Kecskéssová, cast – B. Kamenská and Š. P. Králik

(For kids aged 4+)

THE DANUBE-QUEEN AND THE RUSALKAS

The BIBIANA studio presents a new stage-production based on the book by Mária Ďuričková "The Danube-Queen". In this way, BIBIANA commemorates the 100th birthday anniversary of this Slovak lady writer. In this staging, the kids will learn that "rusalkas" (a kind of fairies in the Slavic mythology) actually lived here, what they felt (like) and where they probably disappeared to. We will reveal all that to you!

Dramaturgy and stage - M. Kecskéssová, music - M. Skačan, creative design and puppets - A. Mikócziová and A. Hanusová, Cast - K. Adamjak, M. Ryšavá, M. Skačan

(For kids aged 4+)

IMAGES FROM THE WOODS

This is a tale about man's approach to the environment, mutual respect and harmony among people, as well as between the environment and animals. This (in literary terms) simple tale emphasises the importance of activity in our lives and the surviving of each and every living being.

Direction, script and dramaturgy – M. Kecskéssová. Puppets, stage design & costumes – A. Hanusová, A. Mikócziová, L. Černáková. Cast: – M. Kecskéssová and B. Kelíšková.

A humorous story based on a fairy-tale from the book by Branislav Jobus, in which the central character bikes the entire world and learns that through strong will and real love - any obstacle can be overcome.

Direction and artistic execution – M. Kecskéssová and E. Farkašová, scene and costumes – D. Sykorjaková, performer – M. Ryšavá

(For children from the age of 5)

MARTA AND JONATÁN

This is "experience reading" of the book by Peter Horáček on Marta and Jonatán, two lonesome worms and a pear, which unexpectedly happened to fall between them. This book is about the sharing with others and shows also that love comes sometimes in completely different ways than we expect. But it tastes just as well.

Autors – J. Michalová and M. Halamičková

(Programs for kids the age of 18 months accompanied by an adult)

HOME

Accompanied by an adult, the youngest visitors of BIBIANA will experience a reading from the book Home by Carson Elli. Their singing and own creativity will provide the "bridging" to the current Bauhaus-exhibition.

Author – J. Michalová and M. Halamičková

(Programs for kids aged 18+ months - accompanied by an adult)

BEWARE - DEPOSIT OF STORIES!

The "Room of Reading" enables the kids to enter the space of stories, get along there and (using the objects and exhibits) explore their origins, what preceded them and what made it finally into the stories and why. The kids will continue discovering the meaning(s) of the symbol-based language and its use in their very own stories.

Theme and guidance – T. Vráblová creative solution – Z. Mátyus

(For kids aged 5-16)

ADVOCATES OF READING

This program targets 8- and 9-graders of primary and secondary-school students and tries to lead selected students to cultivated reading and developing a reading culture, helping young people to find their place in life. At the same time, it encourages teenagers to become active in their communities.

The workshop is lead by: Timotea Vráblová

(For a selected group of children)

BOOK'S GATE OPEN II.

This is a series of workshops focusing on parents, teachers, pre-primary education teachers and librarians. The first workshop of this cycle called Modrý vrch (Blue Hill) deals with how to work with children from the youngest age in a focused, targeted way, how to stimulate their interest in books and how to encourage the internal motivation with babies and how all that affects the child's perception for preparing it for further steps on its way to a book.

Guidance – T. Vráblová
(for adult visitors)

READING IN THE BOOK'S SPACE

Workshop for parents, teachers, librarians and the broad public on how to work with younger and older "school-agers", developing their habits of cultivated reading and deeper, more profound perception and understanding.

Guidance – T. Vráblová
(for adult visitors)

EXHIBITIONS AT BIBIANA

JEWELLERY STORY

This story presents the amazing realm of jewellery as seen by geologists, jewellers and authors of literature. A little bit of geography, some geology, history and ethnography will teach the kids, how those materials (jewels are made of) came into being, why people like to embellish themselves and what jewellery means to them. The kids will also find some kind of jeweller-mini-atelier here (where they can put together their own crystal) and a gallery, where they will get to know our contemporary jewellers.

Idea, script and dramaturgy – I. Abrahamfyová, creative and technical design – D. Mládenková

When: 20/9/2019 – 1/3/2020

CALLIGRAPHY = PENMANSHIP

This exhibition dedicated to calligraphy is basically about penmanship (beautiful script), showing - how script came into being over the centuries in various parts of the world. The visitors get the chance of writing something in cuneiform script, compose pictorial sentences out of Egyptian hieroglyphs or practice some decorative writing with a brush or quills. In the "land of scribes" (called also "scriveners"), they will visit the castle's writing room (scriptorium); the desert-tent of an Arabian penman or a pagoda of a Chinese "script-painter". For those who still cannot write, we have prepared our most famous ABC - i.e. the Painted ABC, which has been written for the kids by the Slovak poet Ján Smrek. And if some would like to know beautiful writing (more) in detail, we are also planning some creative workshops at the atelier.

Script and dramaturgy – I. Abrahamfyová, Artistic and spatial and technical design – K. Abrahamfyová, Graphic design – L. Repková, Illustrations – A. Wagnerová

When: 24/5 – 13/10/2019

ABOUT BAUHAUS AND THE YOUNG DESIGNERS

In the German city of Weimar, a school focusing with arts & crafts was founded in 1919, which still influences modern and secondary schools throughout Europe.

This school, which was named Bauhaus (literally "build-house"), has laid the foundations of an artistic-technical field that we call "design" today. The authors of this exhibition on „Bauhaus and the young designers“ were inspired by this school and prepared some „workshoplets“, where the kids can play and impersonate young creators/designers, try on the costumes of the little Dadaist-theatre, compose some abstract pictures and built-up a Functionalistic house and even try to design an own car.

Idea and arts & space solution – R. Bezák, script and dramaturgy – I. Abrahamfyová
