LITTLE BUTTERFLY

A playful morning with a book and a song. Little Lucy from the book by Petr Horáček has lost her little butterfly but found many other tiny colourful animals. They are not only yellow and blue but also purple and pink! All this is captured in the song accompanying this activity. Under the guidance of M. Halamičková and J. Michalová
(For children from 18 months to 3 years accompanied by an adult)

BOOK, BOOK FULL OF COLOURS

A playful morning with a book and a song. Hervé Tullet created a cheerful book that encourages little readers to join in. The heroes of the book are colours. We will touch, move, mix, and shake them. Under the guidance of M. Halamičková and J. Michalová
(For children from 18 months to 3 years accompanied by an adult)

SMELL AND TASTE OF RAINBOW – RED

Do you know how many colours are in a rainbow? Our monthly workshops designed for the littlest will teach them about one of the rainbow colours. By using their senses and play, kids will be able to explore the world of colour and its possibilities. Have you ever wondered what the smell of yellow, the taste of blue, or the sound of red is? Explore it with us. Under the guidance of P. Stehelová, N. Kozáková, V. Trokšiarová
(For children from 18 months to 3 years accompanied by an adult)

BLACK AND WHITE WORLD

Can you imagine a world without colours? A world in black and white only? Let's try to draw the world around us using only black and white, using the works of Victor Vasarely and Sam Cox, also known as Mr. Doodle, as inspiration. The goal is to experiment with various lines, shapes, and structures and create your own black-and-white world of illusion. Under the guidance of A. Frajková, N. Kozáková, M. Pavlikánová
(For elementary and middle schoolers aged 6 – 14)

BLACK AND WHITE WORLD – BLIND DRAWING

Can you imagine a world without colours? A world in black and white only? Let's try to recreate it using the technique of blind drawing. This unique technique allows the children to express their memories. It also encourages creativity and expression without the visual aspect, enabling them to express their feelings and experiences through touch. Under the guidance of A. Frajková, N. Kozáková, M. Pavlikánová
(For elementary and middle schoolers, aged 9 – 14)

POLARISED CRYSTAL KALEIDOSCOPE

Do you like magic and chemistry? If you do, you are invited to create your own kaleidoscope. It is a simple optical instrument that creates magic with the help of light and mirrors. It may be seen as a toy for kids and adults. Together with Lucia Dovalová, we will make a kaleidoscope – but not just any kaleidoscope, a polarised one using crystals.

Under the guidance of L. Dovalová

(For children aged 7 – 14)

MIMICRY

Are colours important in life? Can we use colours to disguise and hide ourselves? Together, we will learn about the captivating world of colours and their meanings in nature, where some creatures disguise themselves or hide with the help of colours. This resemblance is called mimicry. You will discover how some animals use colours to survive, and we will learn why mimicry is essential.

Under the guidance of A. Frajková, A. Balogh, M. Pavlikánová

(For pre-schoolers, elementary and middle schoolers aged 5 – 12)

HEART IN THE RIGHT PLACE

Through the tales of Heart in the Right Place and with the help of the children's magazine Slniečko, we will get to know Slovak authors who write about their birthplace. We will learn about them and their books that can be found in BIBIANA's library.

Under the guidance of V. Trokšiarová, P. Stehelová, N. Kozáková.

(For elementary schoolers)

VIOLKA FIALKA AND MÓRIC MODRÝ

On the planet named Pallet, Violka Fialková lives with her dog Indigo. Everything around her is violet. The preparations for her birthday party are underway in her tiny house. Through the window, a peculiar mechanical pigeon flies into the house, carrying a message. At once, they start on a journey full of colourful adventures to save a painting full of violets.

Original: P. Palik – Violka Fialka, Playwright, Director: B. Krajč Zamišková, Scenic design: workshops of the Puppet Theatre in Žilina, Based on the illustrations by K. Ilkovičová, Cast: N. Balacenková / R. Gažo, M. Cingelová

BIBIANA CINEMA: THE WAR THAT CHANGED RONDO

Projection of an animated film by Olha Havrilova of the book by Ukrainian authors Andrij Lesiv and Romana Romanyšyn called The War that Changed Rondo (2015), offering a way to talk about war with children sensitively. The screening is followed by a workshop under the guidance of Daniela Krajčová, where we will make a new animated movie using the characters from Rondo. The duration of the screening and the workshop is 120 minutes.

Under the guidance of D. Krajčová
