COLOUR LABORATORY

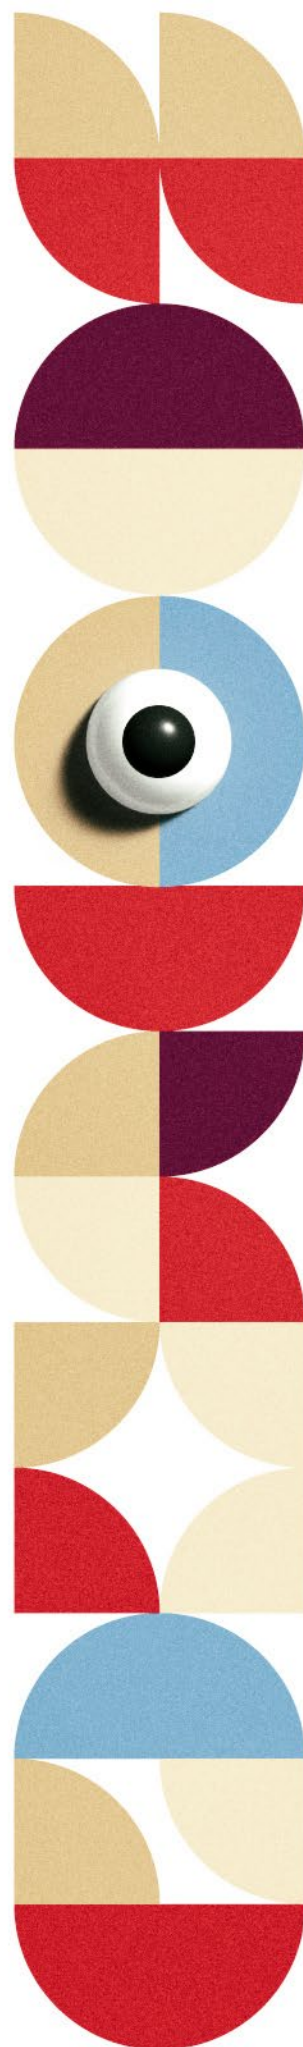

25. 1. 2024 — 8. 9. 2024

They surround us, they are everywhere, they are our world. Colours. The interactive exhibition located on the Second Floor of BIBIANA introduces visitors to this fascinating phenomenon. The exhibition takes us through the black & white world, optical illusions, wonders of the human eye, contrast play, darkness, and colours. The Colour Laboratory opens its doors, full of diversity, symbols, variety, and the laws of physics and inventions.

COLOUR LABORATORY

A captivating dive into the world of colours as an event accompanying the Colour Laboratory exhibition. Through the Colour Palette full of experiences, we will discover the diversity and the meaning of colours in art, science, and everyday life.

EXHIBITION IN A SUITCASE 14. 12. 2023 — 11. 2. 2024

How do you create an exhibition? How is it put together?
This exhibition lifts the veil on BIBIANA's inner workings.
A collection of original models and miniatures from long ago and not-so-long ago, previously exhibited by the International House of Art for Children.

On weekends and during school holidays, BIBIANA will offer hourly introductions to exhibitions by a lecturer.

HOW AN EXHIBITION IS BORN

Program accompanying Exhibition in a Suitcase allows visitors to take a peek inside the kitchen where all of BIBIANA's exhibitions are prepared, capturing the entire creative process – from the very first design draft to the final model. Children can put their creativity to use, and together with a lecturer, they can design their own exhibitions.

From 14. 12. 2023 to 9. 2. 2024, starting at 9:00, there will be hourly events for schools and organised groups.

You can make reservations
by email at: realizacia@bibiana.sk,
or by phone at: 02/20 467 222/223

VIOLKA FIALKA AND MÓRIC MODRÝ

On the planet named Pallet, Violka Fialková lives with her dog Indigo. Everything around her is violet – lavender, blueberries, lilac, eggplant, prunes, even red beet.

The preparations for her birthday party are underway in her tiny house. Through the window, a peculiar mechanical pigeon flies into the house, carrying a message: HELP...STOP...OUT OF COLOUR...STOP...MORIC MODRY OF MODRA...STOP!

Original: P. Palik – Violka Fialka, Playwright, Director: B. Krajč Zamišková, Scenic Design: workshops of the Puppet Theatre in Žilina, based on the illustrations by K. Ilkovičová Cast: N. Balacenková / R. Gažo, M. Cingelová

What are the takeaways of her story? And what are the pitfalls?

The program includes a work method similar to a gamebook. It is designed for middle schoolers who take literature classes and have come across terms such as storyteller and character and are dipping their toes in the waters of literary genres such as detective story, fantasy, or adventure fiction.

Under the guidance of M. Jánošíková

(For middle schoolers)

JUST LIKE AT HOME – WITH BOOKS ABOUT ATHLETES

As part of the Just Like at Home exhibition, a discussion is planned about how the family environment and home affect the achievements of our best athletes.

How do athletes live, how do their family members feel about their careers, and how did their parents raise them? And what role did books play in all of this?

Juraj Berzedi and Anita Ráczová – journalists and authors of two books for children about the family life and careers of Petra Vlhová and Marek Hamšík will visit BIBIANA together with other guests.

(For children aged 8 to 14 and all sports fans)

HOW ARE BOOKS ABOUT ATHLETES WRITTEN

Children will be able to talk to speakers Anita Ráczová and Juraj Berzedi – authors of books about Petra Vlhová and Marek Hamšík about their work as journalists, journalism genres, and how and why journalists can become authors. Write a story about your favourite athlete. Write a news article about a sportsperson you admire. You can send your contributions to the Reading Centre in BIBIANA, and we will draw two children who will receive great books.

(For children aged 8 to 14 and all sports fans)

JUST LIKE AT HOME WITH PARENTS WHO SEPARATED

As part of the Just Like at Home exhibition, we will discuss the book Let's Agree with the authors Jana Hoffstädter and Ida Želinská. The authors conceived the manual of a fair separation as a guidebook for all those affected. The book offers sensitive guidance for families who have found themselves in this challenging situation.

It is written for adults – parents, teachers, educators, and children older than 8 who wish to learn more about this common life situation.
