INFORMATION ON THE CREATIVE WORKSHOPS

THE DOOR

What is hidden behind the cobweb-covered door? Let's peep inside and overcome the fear of the unknown - I mean the fear of creatures so different from us. But are they really that different? This program comprises reading, singing and creative fine-arts, making it an accompanying event of the Silent Voyage exhibition. No need to book in advance, for kids aged 18 months to 6 years.

Lady-authors and workshop leaders – J. Michalová and M. Halamičková.

EXHIBITIONS AT BIBIANA

FROM TOY TO TOY

A well designed and manufactured toy supports and even develops the sense of beauty, purposefulness and empathy in us. Our exhibition starts with a re-paint of a painting by Pieter Brueghel, on which the kids can look for games that are still played today. Further they find here replicas of historic toys made according to archaeological findings, the iconic technical construction toy "Merkur" (screws and perforated sheet-metal parts), which gets manufactured since 1920 a city from a big and colourful kit, a tiny house for the dolls and a Teddy-bear, but also plastic-toys from the last century by the famous designer Libuša Niklová. They will learn to know toys designed by our contemporary designers and they can even invent and design their very own toy.

This interactive toy-focused exhibition is BIBIANA's contribution to the Year of Slovak Design, which was proclaimed by the Culture Ministry of the Slovak Republic.

SILENT VOYAGE

This is a playful and inspirational exhibition offering a voyage through the world of „silent“ books from all over the world (European, American, Arabic, Japanese, Korean as well as Australian ones). Silent books consisting just of pictures without any text currently — do represent just a little-known genre of children literature. The juvenile visitor gets a unique opportunity for looking, discovering and getting-to-know the stories hidden in the pics. A total of 130 titles from all over the world, from folding-picture-books through normal picture books and graphical novels — present a wide spectrum of remarkable books from different genres by really exceptional international illustrators. Using various activities (a travel log, story-blocks, "touch"-game, shadow-play-theatre, puzzle and folders...) — it initiates social games, as well as talks and experience-learning for individuals, families and collectives at the Dušan Roll Gallery (Galéria Dušana Rolla).

B ... LIKE BIBIANA

This exhibition, dedicated to the "round" 30th birthday of BIBIANA, presents its individual creative departments, giving children the understanding of art over those years in a playful ways. This time, as well, we created a joyful, but first of all inspiring atmosphere being so typical for „Bibianic“ projects. The kids may find here e.g. a big picture of BIBIANA with little windows hiding various surprises, playing with filming-equipment within the space dedicated to the Biennale of Animation Bratislava (BAB), they will have fun with illustrations from the aforementioned Biennale, they will get to know our book-wonders and take a

seat at a huge birthday table with various „creative dainties“. Finally they will have a look into the distant future of BIBIANA. They will simply find a big playroom here, with an atmosphere full of fantasy.
